

## MEMORY FOAM SYSTEM INVERSION TABLE

**Item # 5800**

**Description:**

The IronMan Memory Foam System inversion table is built with a durable tubular steel frame with a scratch resistant powder coated finish. The backrest is filled with memory foam to help you relax while you are inverting. Extra long safety handles provide easy return to the upright position and vinyl safety covers are added for safety. The ergonomically molded ankle holders provide comfort and security. The Inverting handle grips help you invert and exercise more comfortably. When not in use, the Inversion Table can be folded.

**Construction Features**

- Extra wide tubular steel frame for additional weight support
- Foam Padded Backrest provides for extra comfort and padding
- Foam covered, extra long safety handles
- Tough rubber non-skid floor stabilizers to prevent any movement during inversion
- 2.5" Foam covered backrest with double stitching
- Ergonomically molded ankle cushions hold ankles securely and comfortably
- Infrared Heat Therapy Inversion Table will invert up to 90 degrees
- Supports up to 350 lbs
- 3 adjustments for different starting inversion angles
- Folds for storage
- Height adjustment up to 6'6"
- Easily adjustable safety tether strap controls the maximum angle of inversion
- Patented Ratchet System provides for each lock/unlock of the ankles
- Scratch resistant powder coated finish
- Safety vinyl side covers to protect hands and fingers
